

**GILES CHEMICAL ~ PREMIER MAGNESIA****Company Form**Title: **PM Fans**Number: **M14-PR-200-F053**Owner: **Thomas Evans**Revision: **02**Effective Date: **07/1/2018**Page: **1 of 2**

For each Fan listed below that is serviced, please place a check in the **Completed** column. For any Fan that is not serviced, please place a check in the **Not Completed** column and give a brief explanation in the **Notes** section as to why it wasn't serviced.

Steps to complete Fan PM

Disconnect fan from power source.

Remove and clean cover.

Clean fan blades to remove any dust.

Clean outside of fan.

Inspect fan for any signs of rust.

Replace cover.

Reconnect fan to power source.
