<b>Safety</b>			

**Safety;**

No special PEE is required

**Purpose;**

To outline the Giles Chemical- Greendale position on Confined Space Entry.

**Procedure;**

All Giles Chemical- Greendale vessels have a content identification placard

Giles Chemical Greendale does not enter any vessels associated with the Greendale Process.  
 The Sulfuric Acid tanks on the tank farm will be entered only by certified contractors with appropriate Confined Space entry procedure, including properly authorized Confined Space Entry Form.  
 All other vessels will be entered only by outside contractors with appropriate Confined Space Procedure and properly authorized Confined Space Entry Form.
