

**GILES CHEMICAL ~ PREMIER MAGNESIA****Company Form**Title: **Notification of Withdrawal**Number: **Q12-PR-100-F013a**Owner: **Lee Cagle**Revision: **0**Effective Date: **04/01/13**Page: **1 of 1****URGENT – WITHDRAWAL ALERT**

Re: Name of Product  
Product Lot Number  
Production Date

Giles Chemical, a Division of Premier Magnesia LLC requests all customers to immediately examine existing inventory and segregate the following products:

Name of Product	Size	Lot Number	Production Date	Expiry Code	Date Received

Giles Chemical has recently discovered that the above products may show a deficiency, specifically:

To fulfill our joint responsibility to our consumers to provide a quality and wholesome product, we would request your assistance in the removal of this product from distribution.

1. We request that you remove our products from your inventory and quarantine all products meeting the name, size, lot number, and production date description in this notice.
2. If products meeting the description in this notice have been distributed to any of your customers, please assist them with the retrieval of the product from their inventory as well as any products which were further distributed.
3. Our representative will contact you to arrange for return of the merchandise and to issue credit to you. Arrangements are being made to ship replacement product to you as soon as possible.
4. Please inform all staff to direct all questions to Giles Chemical, Director of Quality and Safety at 828-452-4784 ext 33.

Thank you for your cooperation.

**Controlled Document**

Only those quality documents viewed through the Giles Chemical electronic Documentation System are officially controlled. All other copies, whether viewed through another computer program or a printed version, are not controlled and, therefore, the Quality Unit at Giles assumes no responsibility for accuracy of the document.
