	<b>Company Policy</b>		
	Title: <b>Hot Liquid PPE Requirements</b>	Number: <b>P15-PL-200-003</b>	
	Owner: <b>Joe Rogers</b>	Revision: <b>00</b>	
	Effective Date: <b>10/15/15</b>	Page: <b>1 of 1</b>	

## 1.0

### Purpose

To inform employees the required PPE for working with and around hot liquids and steam.

## 2.0 Scope

This policy details what PPE is required when working with hot liquids and steam.

## 3.0 Policy

In our process's employees are exposed to various hot liquids and steam. This can lead to serious injuries if not properly protected from skin contact. It is Giles policy to protect every employee from such hazards. Skin exposure to these hazards can lead to severe burns to the exposed areas of the body. The following list of PPE will be required when handling the systems that these hazards are associated with.

Safety Glasses  
Heat resistant sleeves  
Leather Gloves

For any questions or concerns, see your Lead Operator or Manager.

## 4.0 Change Information

New Document.

### Controlled Document

Only those quality documents viewed through the Giles Chemical electronic Documentation System are officially controlled. All other copies, whether viewed through another computer program or a printed version, are not controlled and, therefore, the Quality Unit at Giles assumes no responsibility for the accuracy of the document.
