
	GILES CHEMICAL ~ PREMIER MAGNESIA		
	Company Procedure		
	Title: Visitor Safety Rules	Number: S12-PR-200-F005	
	Owner: Brian Butler	Revision: 01	
	Effective Date: 05/29/2013	Page: 1 of 1	

SAFETY RULES

1. **Please sign in on Visitor Log.** Visitor Logs are located in lower warehouse and in the front office.
2. **Safety glasses are required throughout the plant. Steel toed shoes are required outside of designated safety zone. – No exceptions.**
3. **Report all injuries to Safety Department.** No matter how small or severe, all injuries must be reported. If you are bleeding, please have a plant worker to get the ERT member to assist you.
4. **If you are going to enter a confined space you must fill out a Confined Space Entry Permit.**
This permit can be obtained from a Giles Chemical supervisor.
5. **Any equipment to be worked on must Locked, Tagged, & Tried before work begins.** Please be sure to inform plant workers of equipment you will be working on or around.
6. **Always wear fall preventative equipment when it's needed.** If in doubt please ask someone.

I have read and understand these safety rules. I agree to adhere to these rules while visiting Giles Chemical, a division of Premier Magnesia, LLC.
