

	GILES CHEMICAL		
	COMPANY PROCEDURE		
	N95 Dust Mask	Page : 1 of 3	Revision : 00 Date : 05/05/2010
	Author: Stacy Lindsey		

Safety: Dust mask must be a NIOSH approved dust mask and any other safety requirements for the area.

Purpose: The purpose of this procedure is to ensure that employees who choose to wear the N95 Dust mask are doing so voluntarily.

Procedure:

- Giles Chemical does NOT require any employee to wear a N95 dust mask at the Main Plant or Repackaging Facility
- Any employee who voluntarily wears a dust mask will be issued a NIOSH approved dust mask. Giles Chemical is currently issuing the N95 Dust Mask.
- Giles Chemical does not produce any hazardous material therefore, OSHA does not require dust mask.
- Employee must ask for dust mask and understand they are wearing it in compliance with the Good Samaritan Act.

Training

- All employees will receive training on this procedure.
- Training records will be stored in the Office of the Safety Manager.
