REPACKAGING DAILY DOWN TIME REPORT

PLEASE FILL IN	This is a Daily Log for the machine; this log is meant for documenting issues occurring on the machine during a shift
Date:	For example, if scales were one of the top three issues, please note this on the appropriate line (and you should be scanning appropriately in Vorne) and explain what happened with the scales, what work has been attempted on the scales and how they were working at the change of shift
Lot #:	If there were no issues, the Notes for the Day section still needs to be filled out with any sort of communication helpful to the on-coming crewexample, "will be finishing up Product X an hour into the next shiftexpect a changeover"
Line#:
